Date

0900 morning Briefing → Teams

1) Current Picture (Loos)

- 255 officers deployed
- demonstrators are much more emboldened
- 200 on convey from QC, looking @ 1 cre reductions.

*) Benier - providing update on Command Table to hold to end

2) Intel (Benier/Dunlop)

- more emboldened, aggressive
- QC, mostly vehicles

- Ontario

Ottawa - 505

County - 100

Chief directed that bridges to be closed until Monday due to incoming truck convey - will work w/ legal center re issues surrounding that

Chief advises re closure of off ramps

- need to take actions due
to Ottawa State of Emergency,
Ontario State of Emergency

- after spoke w/ Bernier,
Drummond Hunt

REDACTED

1120 spk w/ Chief

REDACTED

→ Chief adv that did not
agree as we did that
during pandemic
→ adv him that it was
a provincial order not our
order
→ adv him that plans were
being put in place to assist

traffic from downtown
 - he did need a meeting to discuss in the next hour.

1217 meet w/ Chief → Teams

- Chief does not provide direction of operations

- Chief approves the Plan & direction

- City SOE

- Province SOE

- have truck horns
 injunction

- highlighted intel update
 of trucks from Quebec

- under resource

- declared unlawful demonstration

- have operational plan from
 COVID restrictions

- any reasonable measures
 under PSA

- has question on whether
 he had provided correct

assessment of situation

- adv him that I did not agree w/ assessment as provincial activity had not impacted our situation
- chief adv that 1st fleet had, & Cornwall officer was removed
- chief adv had not given direction
- I adv him that he had given direction to remove close bridges & off ramp
- he adv he was reminding this direction.
- he adv that operational response to threat picture he identified would need to be developed by IC & approved by mtc & that he I, would be responsible & accountable for the outcome
- he would assess the plan & if not satisfied would take appropriate action
- pressed CH on legal opinion

1300g meet w Chief

has been provided info from
a City official that has
received info from the
~~Chief~~ City that they involved in negotiations
not taking place for at
least 24hrs.

- highly confidential information.
- City engaged in discussion w/
convey leaders to have movement
w current situation

for info only, there has not
been any request for any
change in our activity, or
posture, has not been request
for any change, info only

REDACTED

→ further notes to 1217

→ Chief adv that felt there was
provisions under PSIA for him
to close bridges, similar to
during pandemic, or a criminal

invest, that must be enough
to close the bridges

- discussion seemed to be
centered around our
need to close the
bridges, ramp regardless

- cdu chief that we
had made that decision
re the direction to not
close to core yesterday
& our meeting
to be cdu that
things had substantially
changed

1400 meeting w/ Commissioner Carrigue,
Commissioner Lucki, Chief
Sloly

- intel update by Commissioner
Carrigue

- Windsor
- Niagara
- Cornwall
- 1000 Islands
- 4 sites in N. Ont
- GTA

Com Lucki update on

- Coots
- Emerson

discussion on PLT efforts to date, from TC, he had group of PLT officers who had not been used

- Insp Marcel Beaudoin has no direction provided to allow them to negotiate

- need to be provided - but the levers are

- Public Safety Canada in discussions re similar letter to what used in Windsor (leaves will set meeting)

- Chief request Cmr Corriveau to outline PLT strategy

- what used in Windsor

- frame work to establish when negotiations had failed

- Cmr Lucki felt that messaging about not enough resources created officer safety issue

↳ often affecting rest of country

↳ tired of numbers debate

- Chief adv good w/ integration plan

↳ plan is good to go

- Chief adv that he needs better briefing on plan

↳ to be set ASAP

- Chief request meeting on: 1) integration 2) changes

to op plan 3) PLT strategy

- spoke w/ NOC & set it up.

Chief adv
not similar
PLT
not there in
he was in
Toronto

1510 Briefing for Chief

- adv by Chief to have
Plan developed for traffic
management plan including
→ send to him if there
are gaps

- Concept of operations
provided by NOC
(Pady, Lee, Tetreault)

- chief adv of history &
dates that he met &
spoke about PLT

- C/Supt Pady requested as to
whether the Chief wanted
NOC to drop off
while he dealt w/ his
internal issues

- NOC went thru
concept of operations
relating to PLT engagement
centred around

- Bernier went thru
structure to support
the implementation

- Chief requested that
there be someone PLT

capacity that is embedded
in incident command
and that was intention

- Chief adv that he required
5 items for next
briefing

- 1) Traffic Plan.
- 2) PLT Plan.
- 3) Integration of OPP/RCMP
into IC planning
- 4) Objectives for next
24 hrs
- 5) messages for today

- as Chief going through list
of items to gaps C/Supt
Party again asked if
Chief wished to have them
leave so he could deal w/
his internal matters.

- OPP/RCMP NOC left
conv

- list reiterated by
Chief

C/Supt Party agreed to
provide list of
assigned officers on
daily basis.

1700
